

How How!

We saw our fastest Camp Rockmont registration ever this past Monday, completely selling out all three weekends by noon. Despite the strong registration, we realized that many tribes were left out for the first time.

We have been working with Rockmont staff and are happy to announce that we will be offering a fourth Fall Outing weekend on **September 23-25**.

To be as fair as possible, we are going to use a lottery system to register tribes for this extra weekend.

Tribes will have one week to turn in a completed registration form into our office. Payment (check or CC number) of \$137 per person must be attached for everyone listed.

Deadline for turning in registration forms will be Thursday, June 30 at 5pm. We will only accept forms dropped off in person at our office Mon-Fri 8am-5pm (no fax, mail, or email, please).

Friday, July 1, we will put all entered tribe names into a pool and draw until we reach 420 people in Cabins followed by 200 people in Tent City. This is to ensure a random and fair process. Tribes that do not win will be added to a wait list and we will shred payments.

We will contact the winning tribes by noon and begin processing payments.

If you are already registered for Tent City in another weekend, you are welcome to put your name in the pool in the hopes of winning a cabin. You will still need to turn in a registration form into our office with "Already Paid" written in. You will not lose your spot in Tent City by entering the lottery.

We will begin cabin assignments as soon as possible which will potentially allow us to move people off the wait list for all four weekends. We hope to begin making wait list calls by July 18.

We appreciate everyone's enthusiasm and understanding as we begin working with our growth.

Please let me know if you have any questions,
