

The Ducks are Back!

Take a Quack at Hunger!

The ducks are back! For the third straight year, American Tobacco is helping the Inter-Faith Food Shuttle take a quack at hunger.

Here's how it works...

Individuals and companies “purchase” rubber ducks in any increment, even just one duck. On **Saturday, May 16th**, thousands of rubber ducks will take to the waters of the “Old Bull River” located on the American Tobacco Campus in Downtown Durham. There will be music, door prizes, snacks, contests for kids, and prizes for the winners.

Ducks are being sold for \$10 a piece, or 5 for \$40.

Corporate ducks are also available.
